HOUSE ELECTION BILL.

Provides Two State Commissioners,

One Democratic and One Repub-

lican. Apportioned by Governor.

Frankfort, Ky., Sept. 20.—The

house election bill was reported on

Wednesday. It provides for two

state commissioners, one a democrat

and one a republican, to be appointed

by the governor on recommendation

of the executive committee of the

leading political parties. The clerk

of the court of appeals shall act as

referee. County boards are also to

be bipartisan, and the sheriff acts as

referee. State boards may hear con-

tests, but an appeal to the courts is

provided for.

Among the minor changes made by

the House bill is a provision for

breaking the polls at 6 in the morning

and closing at 6 in the evening. It

also provides for the removal of the

square under the political devices and

supplants it with a clock. The senate

Wednesday appointed a special

committee to consider the bill intro-

duced by Senators Harrison and Allen,

relating to primaries.

In the house bill (dem.), of Taren-

ter, there is a resolution providing

that if no election bill is passed by

October 2 the legislature adjourn

sine die on that day. The motion lies

over.

HOWARD TESTIFIES.

He Claims He Was Sitting Before a

Hotel Fire When Senator Goebel

Was Assassinated.

Frankfort, Ky., Sept. 20.—The

defense in the Howard trial began to

present its case Wednesday. Nearly

20 witnesses have been called. At-

tachments for George Thompson, Lau-

relle county, and John L. Isaacs, Cin-

cinnati county, wanted by the defense

as witnesses, were issued. A large

crowd was present to hear Howard

testify in his own behalf.

He said he first visited Frankfort in

1889, the next time in January of this

year, and came here to secure a

pardon. He said when he left Man-

chester, Ky., he was clear of all charges
